Hart's Vegetable Extract, For sixteen years, has been tested by many persons who have suffered with this dreadful disease, and in every case where it has had a fair trui, has effected a permanent cure.

to Denslow of Yonkers, New York, states that his daughter has been afflicted with fits for more than nine years, and has been cured by the vegetable extract. Mrs. J. Bradley, 115, Orchard street, New York, states that she has been subjects to fits for many years, and has been restored to perfect health, after every other means had failed, by the use of the vegetable

Dr. Charles A Brown, of Dover, Russell county, Alabama, who is one of the best physicians in the State, says that he has been much benefitted by the use of the vegetable extract, and that he unhesitatingly prescribes it in every case of Epilepsy which comes under his Cutis G. Mayberry, Esq., formerly postmaster at Lime Mills, Crawford co., Pa., now living in Erie co , Pa., states that for many years past he has 'een sorely afflicted with fits, and he is now happy to state that he a persevering use of Dr. Hart's Vegetable Extract for a few months, has restored him to sound health, being entirely free from that worst of all diseases.

It will Cure! The child of William C. Anderson, North Fourth street, Williamsburgh, aged 10 months, had fits constantly for eight weeks. A consortation of physicians was called, who decided that the case was a hopeless one, and that the child must die. Whist the child was in this dangerous state, Mr. Anderson called at my office, which was in the month of Febru ry last, and obtained a bottle of the extract with the accompanying medicines, and administered it to the child, and the result was a perfect restoration of health, which has continued to the

present time. The son of Robert McGee, corner of Sullivan and Prince streets, New York, was severely afflicted with epiteptic fits. In this case at so, the physic ons held a consultation, and decided that they could do no more, and that nature must effect its own cure, or the boy must die The vegetable extract was administered to him whilst in a fit, and I was to d by one of the attending physicians, as well as by Mr. McGee himself, that its effects were almost instantaneous. The fit was broken and the boy restored to health. Mr. McGee says, "I shall never again be without the medicine in my house if I can avoid it, for fear that some of the rest of my children may be attacked in the same way. I consider the medicine invaluable.

Testimony upon Testimony. In reference to the almost mirroulous efficacy of this truly wonderful medicine, read the follow letter from Doctor W. L. Monroe, of Guil ford, Ohio, one of the most eminent physicians in that place GUILFORD, OHIO, August 17th, 1846. Brother inhorer in the cause of Humanity : Dear Sir-it is with no small degree of pleasure that I am enabled

o announce to you the complete friumph of your invaluable medicine | 28 cents per bushel, at the sign of the big padlock. in cases of Epdepsy. I have prescribed it in four instances in this vicinity, and it has been successful in all. Three of the patients, I trust, have been radically cured. The fourth is rapidly improving, and will, I talak, without doubt recover. I am not in the habit of prescribing or recommending p. tent medicines, but when I see an article which promises so much for the relief of suffering humanity, I fee! it my duty to recommend it; and I have no hesitation in saying, that as soch as the faculty are fully acquainted with the real merit of your medicine, they will close their eyes against prejudice, and lend you a helping hand, I subscribe myself, yours, sincerely, W. L. MONROE, M. D. To Dr S. Hart, New York.

FITS OF 27 YEARS AND 6 MONTHS CURED BY THE USE OF THIS TRULY WONDERFUL MEDICINE. Read the following remarkable case of the son of William Secore Esq. of Philadelphia, afflicted with epileptic fits 27 years and 6 months After travelling through England, Scotland, Germany and France, constiting the most emment physicians, and expending for medicine, medic I treatment and advice, three thousand dollars, returned with his son to this country in November last, without receiving any benefit whitever, and was cured by using Harr's Vegetable Extract. Mr. Am. Secore's letter to Drs. Ivans & H. rt .- I have spent over three thousand dollars for medicine and medical attendance. I was advised to a 'e a four to Europe, which I did. I first visited England, I consulted the most eminent physicians there in respect to his case They extended from not prescribed accordingly. I remained there three months without perceiving any change for the better, which cost me about two hundred an ! fifty dollars, pocketed by the physicians, and the most I received was their common that my son's case was hopeless and positively incurable. I accordingly lest England, and travelled through scottand, Germany and France, and returned home in the month of November last. I saw your advertisement in one of the York pipers, and concluded to try Hart's Vegetable Extract, seeing your statements and certificates of so many cures, some of twenty and thirty ye rs' standing and I can assure you that I am not sorry I did so, as by the use of Hart's Vegetable Extract alone, he was restored to perfect health. His reason, which was so far gone as to unfit him for business is entirely restored, with the prospect now before him, of life, hea'th and usefulness. He is now 28 years of age, and 27 years and 6 months of this time has been afflicted with this most dreadful of diseases; but thank tio i, he is now enjoying good health. Now, gentlemen, futh without works I don't believe in. To say that I shall be ever grateful to you is one thing, and as I here enclose you one hundred dollars, I have no doubt but you will think this another, and quite a different thing. The debt of gratitude I still owe your; but please accept this amount as interest on the debt in advanca-

Opinions of the Press. EPILEPSY -This disease is considered by all to be the most dres but that ever afficied the human race, as its tendency is to insanity, madness and death. With such fearful results as these, who, among its unhappy subjects does not shudder. The most skilful physicians of Europe as well as those of our own country, have pronounced Epilepso or falling sickness as it may be termed incurable. We are happy however, to state to our readers that Drs. Ivans & Hart of this city, by long and tedious research, have discovered the primary cause of this dreadful disease, and also its remedy-a remedy which in most cases will in a very short time effect a permanent cure. We speak thus positive, because we have within the last few weeks seen quite a number of persons who have been cured by their remedy; one of which is a man of un prestimable veracity, who stated to us that he had been affliered with epilensy in its worst form for nearly 24 years, and had from time to time employed the best predical talent to be found, and all to no purpose, until he placed himself under the treatment of Drs. Ivans & flart, which was but a few weeks since, and now, says he, "! thank and, I feel that I am a well man. I also feel it my duty to proclaim if to the ends of the earth, that those similarly afflicted, may find

WILLIAM SECORE.

We quote the language used by some that are now under treatment, and others which we been cured. One says, "I have suffered beyond in powers of description, but now I rejoice in the prospect of soon being fully restored, as my health of t te has much improved." Another who is an emment lawyer and well known in this city, says, "My son has been afflicted for years with epilepsy, int is now enjoying good health from the Vegetable Extract. Its fame, says he, should and ought to be sounded to the ends of the earth." Another says, "Langauge is entirely inadequate to express my gratitude to Messrs. Ivans & Hart for having been the means under the blessing of God, of restoring me to the enjoyment of good bealth after having been afflicted with epilepsy in its worst forms for one than 23 years, and my morning and evening o lations of praise and thank sgiving shall continue to ascend to that God who has afflicted, but to make me whole." We doubt not that the time is not far distant when thousands who are now trembling under the hand of this dreadful disease, and fearing that every attack may prove fatal, will find permanent relief and be restored to new life by using this celebrated medicine, HART'S VEGETABLE EXTRACT .- New York True Sun, N.
